

# Force Volleyball Club Power League Fall 2010

The **Power League** was created to provide volleyball players the ability to play at a higher competition level than the recreation leagues. This league offers professional FORCE Club coaches, a uniform package, extended practice time and intra-league matches.

Teams will be formed by selecting players based on skill level. We plan to put the teams into two different divisions to maximize the level of competition.

### **FORCE Power League Coaches**

- Forrest Medcalf
- Lee Tonga
- Michelle Murray
- Julie Hinckley
- Chad Scheckel
